2. Background to the agreement

The previous Pipettes framework expired on 05th October 2018. During the final year of this agreement, a working group agreed a new strategy for the provision of non-disposable pipettes under 8 Lots/Sub Lots. Suppliers were invited to supply a representative list of items (Basket of Goods) followed by their catalogue of products for each lot and contracts were placed accordingly.

3. Benefits

UK SBS worked with key stakeholders to deliver an agreement that provides a responsive, high quality service and easy access to the product ranges needed within the research sector. By using this agreement, your organisation will benefit from:

- Reduced procurement timescales and costs through a pre-competed agreement
- Fixed pricing for 1 year
- Pricing will be market driven through the use of e-marketplace catalogues, ensuring full competitiveness in a compliant market.
- Access to, and choice of, key market suppliers and products
- Reduced administration through standard contract terms and conditions
- Improved ordering process through e-marketplace or smart form solutions
- Greater ability to manage spend through certainty of pricing and delivery terms
- Compliance with EU Procurement Directives and UK regulations
- Access to procurement specialists to source items not on the main catalogue
- Defined lead times on your order

4. Who can use this agreement?

This agreement is available to our core customers: Associated Bodies, other organisations, UK universities, Government departments and Non-Departmental Public Bodies. The [full list](#) can be found on our website.

5. How to access this agreement

Where a Contracting Body is buying large volumes of Supplies defined within these Lots, sub-lots, the Contracting Body will be encouraged to run a Further Competition to leverage greater discounts even though it is possible to undertake a Direct Award

UK Research and Innovation Customers (UKRI)

UKRI customers can purchase the goods covered by this agreement via the Science Warehouse portal. You will find the suppliers outlined in section 1 listed in the supplier search.

Other UK SBS managed service customers

UK SBS customers without access to Science Warehouse can raise a non-catalogue requisition in iProcurement or contact the [Scientific Research](#) team for support with buying goods through this agreement.

Non-managed service public sector organisations

UK SBS' Scientific Research team will work with your organisation and the supply chain to facilitate access to this agreement. Contact us via email on scientificresearch@uksbs.co.uk or by telephone on 01793 867000 to discuss your requirements.

Aftersales Support

If you need to return goods, where they are faulty, damaged or incorrectly supplied, please contact the relevant supplier account manager or the Scientific Research team. Contact details can be found in section 6.

Troubleshooting

If you have any problems with ordering through this agreement, please contact the UK SBS Scientific Research team for support via scientificresearch@uksbs.co.uk
